

## ***A Portable Multifunctional Video System to Suit your Clinical Needs!***

Forth Medical is pleased to offer the Fentex range of Clinical Video Systems.

Suitable for use in the ENT Out-Patient or Ward setting, this compact system will facilitate assessment of Video Laryngeal Endoscopy (VLE) and Fibreoptic Endoscopic Evaluation of Swallowing (FEES).

### **A compact, portable multifunctional system incorporating:**

- Light source
- Camera
- Monitor
- USB archiving system
  - to record assessment findings
  - for use in therapy to facilitate biofeedback
  - provision of baselines for post-treatment reassessment
